Bachelor of Science   **August 2020 - August 2024**

Vietnamese German University
- Major in Business Administration
- Languages: Vietnamese (native), English (fluent), German (A2)

CAREER OBJECTIVE

Seeking a Full Stack Developer role where I can apply my expertise in Ruby on Rails, JavaScript, and modern web frameworks to design and deliver scalable applications. My goal is to grow as a Rails engineer, contribute to high-quality product development, and continuously expand my skills and cloud-based solutions.
